SOURCE OF ACTIVITY:

The above officers were working as contracted, uniformed security officers for the Hollywood Business Improvement District (H.B.I.D.) / Andrews International 6801 Hollywood Boulevard Hollywood, CA. 90028 (323) 465-0122.

INVESTIGATION:

On Wednesday, January 29, 2014 at approximately 1600 hours, my partner (Officer Trujillo #136) and I (Officer Ramirez #139) were assigned to the H.B.I.D. bicycle team as B-2.

While in the 1700 block of Cahuenga Boulevard, we decided to conduct a business check in the east/west alley located just south of 1716 Cahuenga Boulevard (Sharkey's Woodfired Mexican Grill). This alley is often used by subjects to consume alcoholic beverages, urinate and defecate. The stench is so great that we're often asked by near y businesses to conduct extra patrols/business checks.

While checking the alley, we observed two male subjects seated on the raised cement slab along the south side of the alley. The two male subjects were midway in the alley with their backs to us (they were facing east). They were in direct view from the apartment complex (The Knickerbocker Senior Citizen Home) located just east of them.

In between them, I noticed a green bottle resting on the cement slab. The bottle resembled that of a wine bottle. We decided to conduct a stationary surveillance, at an approximate distance of 20 feet. We had a clear an

unobstructed view of both subjects. From our distance I could hear them talking and looking at an I-pad.

While conducting the fixed surveillance, I saw one subject (later identified by his California identification card as Geldres, Brian Jesus D.O.B. 03/22/88, Cal ID # D9796975) reach down and pick the bottle from the cement surface. Geldres then raised the bottle to his lips and took a long drink. Afterwards, he placed the bottle back on the cement surface in between him and the other subject.

We continued to observed the two subjects, and I saw the second subject (later identified by his California identification card as Douglas, Joshua C. D.O.B. 03/24/93, Cal ID# F2026186). Douglas reach down and pick up the bottle and bring it to his lips and take a long drink from it. Douglas also placed the bottle on the cement floor and they continued with their conversation.

Believing that Geldres and Douglas were consuming an alcoholic beverage, we decided to make contact. As we were approaching them on foot, Geldres and Douglas looked back in our direction. I saw Joshua reached for the bottle and poured half of its contents on the cement floor as he laid the bottle on its side. My partner was able to retrieve the bottle which was approximately $\frac{1}{4}$ full.

Upon close examination of the bottle, I noticed its label that read "Charles Shaw Shiraz" with a 12.5% alcohol per volume (750 MI).

Both subjects were informed of our contact and they asked if they could be given a break. While obtaining their information, I could smell a moderate odor of an unknown type of alcoholic beverage emitting from her breath and person.

ARREST:

We advised Geldres and Douglas that we were placing them under "Private Person's Arrest", as per 837 Penal Code - (Private Person's Arrest - Authority To Arrest / see attached for) for 41.27 (c) Los Angeles Municipal Code - (Drinking in public).
